

Retail

Secure your future... Ride the new retail wave

Over 100 million sq. ft. of new retail space is expected to generate over 2 million jobs in the next two years. Our retail courses provide deep understanding of the industry, preparing you for diverse roles in Retail – from customer facing roles to supply chain, logistics, visual merchandising, or managing people processes.

- **6 months Diploma in Retail Operations**
- **12 months Advanced Diploma in Retail Management**

[Eligibility : 10+2]

Health Care

Build a healthy future for your career...

Health Care is the third largest industry in the country at \$35 billion, growing at over 15% and can reach 10% of India's GDP. There are large skill gaps in non-medical aspects and our focused health care management curriculum prepares students for jobs in hospital management and administration.

- **6 months Post Graduate Diploma in Health Care Management**

[Eligibility : Graduation]

Clinical Research is a \$45 billion industry worldwide and India is well positioned to be a global leader in this sector. It is estimated that over 50,000 trained professionals are required in India. Our Clinical Research curriculum provides students in depth understanding of all phases of clinical research and prepares them for specific responsibilities.

- **6 months Post Graduate Diploma in Clinical Research**

[Eligibility : Graduation]
